MASTER SOFTWARE DEVELOPMENT AGREEMENT

This Master Software Development Agreement (the "Agreement") is dated 12 January 2026 by and between Horizon Cloud Solutions Inc. ("Client") and StellarByte Interactive LLC ("Developer").

1. Scope of Work and Deliverables

Developer shall design, build, and deliver the customized enterprise software application according to the specifications set forth in Statement of Work No. 1. Developer warrants that all deliverables shall perform in material conformance with the agreed technical specifications.

2. Term and Auto-Renewal

This Agreement shall commence on the Effective Date and remain in effect for an initial period of twelve (12) months. Thereafter, this Agreement shall automatically renew for additional successive terms of one (1) year, unless either party delivers written notice of termination at least sixty (60) days prior to the expiration of the then-current term.

3. Payment Terms and Invoicing

Client shall pay Developer the milestone fees outlined in Schedule B within thirty (30) days of receiving an itemized invoice. Late undisputed payments shall accrue interest at a rate of 1.0% per month or the maximum statutory rate permitted by applicable law.

4. Acceptance and Inspection Period

Client shall have a period of ten (10) business days following receipt of each milestone deliverable to test and inspect the work. If Client fails to deliver written notice of rejection identifying specific defects within such ten-day period, the deliverable shall be deemed conclusively accepted.

5. Non-Compete and Market Restrictions

During the term of this Agreement and for a period of eighteen (18) months following termination, Developer shall not directly or indirectly develop, consult on, or deliver software applications that compete with Client's proprietary logistics platform anywhere in North America or the European Union.

6. Non-Solicitation of Personnel

For a period of twelve (12) months following completion of the project, neither party shall actively solicit, recruit, or hire any engineer, project manager, or key employee of the other party without prior written consent.

7. Unilateral Termination for Convenience

Client reserves the right to terminate this Agreement or any pending Statement of Work at any time, for any reason or no reason, in its sole discretion, upon seven (7) days written notice to Developer. In contrast, Developer may terminate only for uncured material breach by Client upon sixty (60) days written notice.

8. Limitation of Liability and Carveouts

Developer's total liability under this Agreement shall be capped at the aggregate fees paid by Client during the six (6) months preceding the incident. However, Developer's liability for breaches of confidentiality, intellectual property indemnity, and gross negligence shall be completely unlimited and uncapped.

9. Confidentiality and Trade Secrets

Each party agrees to safeguard the Confidential Information of the other party using the same degree of care it uses for its own sensitive data, and in no event less than reasonable care. Confidential Information shall not be disclosed to any third party without prior authorization.

10. Governing Law and Exclusive Jurisdiction

This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, United States, without giving effect to its conflict of laws principles. The parties submit to the exclusive jurisdiction of the state and federal courts located in New Castle County, Delaware.

11. Severability and Counterparts

If any provision of this Agreement is held to be invalid or unenforceable, such provision shall be severed and the remaining terms shall remain in full force and effect. This Agreement may be executed in counterparts.
